

LUMCON MARINE RESEARCH AND EDUCATION CENTER
POLICY FOR USE OF FACILITIES BY OVERNIGHT VISITORS

1. Wear shoes inside and outside (not necessary in your dorm room). Acadiana and marsh excursions require closed-toe shoes.
2. Do not apply insect repellent or spray on sunscreen indoors. The volatile compounds enter the air exchange system and can damage laboratory cultures.
3. There is a security guard on duty all night. He patrols the facility through the night and should not have to correct any behavior problems. There are security cameras recording video of each hallway in all areas of the marine center.
4. You are responsible for the condition of your room and the lounge when you leave it. It should be reasonably clean and intact. You will be charged if extra cleaning or repairs are required. Lost keys result in a \$10 fine.
5. Quiet hours are from 9:30 pm to 6:00am. Please be in your room and quiet during those hours. Please be reasonably quiet in dorms during others may be sleeping. **NO BOYS IN GIRLS ROOMS AND NO GIRLS IN BOYS ROOMS EVER!!!!**
6. No one is allowed to be outside without an adult during the day, and no one is allowed outside after dark. No one is allowed in the research areas without a LUMCON educator. No one is allowed near the swimming pool on the ground level between the dormitory wings.
7. In case of a fire, alarms will sound. Exit by the nearest door and meet at the boat launch in the front of the building.
8. Hold onto door handles as the door shuts; otherwise they slam. No running is allowed in the building. Do not leave basketballs, volleyballs, trash, clothing or any other item in the yard. Pick-up after yourselves.
9. The Marine Center past the cafeteria (including the tower), and areas below the building beyond the dormitories are **CLOSED** from 6:00pm until 7:00am.
10. The only door to the lab that is opened after 6:00pm is the door between the dorm and cafeteria.
11. No electronic equipment is allowed during activities. The only electronics allowed are digital cameras only; cell phones are not considered cameras. Leave them in your rooms!
12. There is no fishing allowed anywhere but at the back dock, and no fishing after 10 pm. An adult must be with you at all times if you are fishing.
13. Do **NOT** eat any food found in the lounge unless it belongs to you! Food for staff and graduate students is stored there and does not belong to you!

Rules read by: _____ Date: _____

My group has been read the rules and understands that failure to follow the rules could result in not being allowed to visit LUMCON again.
